CERTIFIED FOOT CARE NURSES INTEREST GROUP

On June 10, 1994 the Board of the Manitoba Association of Licensed Practical Nurses approved the establishment of the first MALPN Interest Group.

Many Licensed Practical Nurses that had completed the CLPNM/WTC Foot Care course showed an interest in forming a Nursing Foot Care Interest Group to enhance the role of the foot care nurses and to provide an avenue for sharing information. In response to this interest, a formation meeting was held June 1, 1994. The group adopted a mission statement and goals and was formally recognized as an Interest Group June 10, 1994.

The Certified Foot Care Nurses Interest Group mission is to:

"Promote the on-going development and recognition of nursing foot care services by Licensed Practical Nurses within the province of Manitoba"

Membership is open to any Licensed Practical Nurse who is involved in the provision of nursing foot care services and is a graduate of a CLPNM approved Nursing Foot Care Course or has completed a course of studies recognized by the Board. Members must hold **ACTIVE** practicing registration with the College of Licensed Practical Nurses of Manitoba. RN and RPN's are eligible to pay a yearly registration fee. Guests are entitled to conference discounts and voice but no vote at meetings.

Currently the group meets 4 times a year. If you wish to become a member or guest of the Interest Group, please complete the application form.
